Cengage Learning is Engaged with...

- **Students** – By engaging with you and listening to how you work best, we are creating products and solutions to fit your learning style and help keep you engaged – wherever you are. We are putting students first in the development of educational materials and are transforming the learning process to help you succeed.
- **Educators** – Faculty tell us that their job is to Engage Students. Our job is to help. Engaging your students means to advance, challenge and inspire them in the classroom and beyond. By working together to develop solutions with the end-user in mind, and supporting your efforts with unparalleled services and support, we can help you cultivate engaged learners, resulting in better outcomes.
- **Librarians** – Information must be used to be valuable. You are curators of authoritative material, and together, with our content and digital tools, we can help you to engage your users with the treasures of the library.
- **Employees** – We are dedicated to improving engagement, and that begins by engaging our people. We learn as a team. Together we help others learn.
